

LIMITED WARRANTY

GLOBAL HEAT TRANSFER RESERVES THE RIGHT FOR CONTINUED PRODUCT AND SERVICE IMPROVEMENT BY CHANGES IN ENGINEERING AND/OR DESIGN AS DEEMED NECESSARY BY GHT, AND GHT IS NOT UNDER ANY OBLIGATION TO INCORPORATE THESE CHANGES IN ANY PRODUCT ALREADY DELIVERED.

Global Heat Transfer Ltd., referred to hereinafter as GHT, hereby provides and upholds a limited lifetime warranty against leakage only on Class 8 Charge Air Coolers manufactured and/or supplied by GHT.

This warranty is effective for the period that the purchaser owns the truck. This warranty is non transferable and is null and void if the owner sells, leases, scraps or transfers ownership of the truck in any capacity. The warranty is only applicable to the legal entity that originally purchased the CAC from an authorized GHT distributor or dealer.

The original buyer must at the time of purchase register the CAC with GHT. If registration is not completed within 30 days of purchase the warranty will be nullified. Contact the entity that the CAC was originally purchased from for full details on how to register your CAC. Please note that all information must match the original information submitted when the CAC was originally registered.

Any defects resulting in a warranty issue will be limited to the product either being repaired or replaced, and this limitation is solely at the discretion of GHT.

Any and all parts allegedly defective shall be shipped prepaid by the buyer and returned to the nearest GHT location or to an approved GHT representative. The parts will be subject to inspection by GHT and/or an authorized representative prior to any repair or replacement being issued. Upon receipt of shipment, only GHT and/or its authorized representatives will direct the service, repair and/or replacement of the part in question after doing a full investigation and GHT deems (in writing only) that it is warranty. GHT will not consider anything a warranty until it is approved by GHT. All insurance and transportation costs are the responsibility of the Customer.

GHT warranty will be considered immediately nul and void if any attempts at repair and/or modification are made by the customer or the customer's agent without written approval by an authorized GHT personnel.

The buyer acknowledges that the company and its distributors are not liable to the buyer or those claiming through buyer for any damages whatsoever resulting from the alleged breach of GHT's representations contained in this limited warranty. By accepting the product upon arrival, the buyer waives and acknowledges that GHT shall not be liable for any special, indirect, consequential or incidental damages of any kind that include but is not limited to: negligence, breach of contract, or warranty or otherwise resulting from failure of machinery or equipment or any other damages whatsoever no matter what is alleged.

GHT provides no warranty for consequential damage, failure of accessories or related components, downtime or revenue loss resulting from the alleged failed parts or components manufactured and supplied by GHT. This warranty does not cover failure due to undisclosed or improper application, improper installation or mounting, or any other physical failure that is not considered "normal operation" as described by GHT.
